

Could you be a Study UK Alumni Award winner?

Dear Sir/Madam

Greetings from the British Council in Egypt

The Study UK Alumni Awards celebrate the outstanding achievements of UK-university alumni, who can demonstrate how they've used their UK study experience to achieve success and make a difference. Award winners and finalists are leaders in their fields who have studied at a UK university and gone on to make a positive contribution to their communities, professions and countries.

Alumni applicants from Egypt will be entered into the global Alumni Awards, and stories of finalists and winners will be celebrated digitally in a global promotional campaign.

Enter the awards to shine a spotlight on your achievements and the impact of your work, raising your international profile. The campaign in 2018-2019 reached more than 100 million people across ten countries through press and media. You could be one of the 2020 UK Alumni Awards winners and get the chance to be invited to the UK for a professional development and networking opportunity.

If you studied at a UK university in the last 15 years, are now living in Egypt, and have gone on to achieve exceptional success, apply today or nominate someone you know!

Apply here today. Applications close Monday 28 October 2019 at 23:59 GMT

Good luck!

Warm regards,
The British Council Egypt.
